TOTAL Fundraising Projection				\$13,750	
TOTAL Fair Share (cash obligation per student)				\$13,736	\$250
<p>NOTE: The goal of this marching band season's budget was to remain a competitive band group, while reducing expenses and allowing us to incur no more than last year's \$250 cash obligation per student. Our student projections are reduced from 60 last year to an expected 55 this year. Fundraising participation is still expected of each family who's student is enrolled in the marching band program.</p>

NOTE: Goal of Overhead Budget is intended to follow general guidelines for non profits that administrative overhead remain less than 10% of annual budget expenses. Annual budget expenses are expected to be approx. \$100K. It could be argued that awards and student leadership expenses should not be considered administrative. In this case, overhead is just over 5% of annual operating expense, and well under the norm.
