11:15 - move to warm-up area on W. side of School (We're in area "B")
11:30 - 12:15 - Warm-up and tune
12:30 - Performance
1pm - change out of uniforms, eat lunch
1:45 - 4:00 - Division II and III groups perform (8 more groups)
4:00 - announcement of performance times for finals (12 bands play on!)

Top 2 bands from each division (we're division 1, smallest bands) then the next 6 highest scores, similar to Friendship Cup #1. There are Ten Div. I bands, Six div. II bands and two div. III bands. WE need to be one of the top two bands or beat 6 other bands to make finals.

If we make finals, we'll grab dinner somewhere close (send \$\$!) and prepare to do it again!
If we DON'T make finals, we'll load the bus at the conclusion of the announcements and head home. Students may then elect to return and watch the other bands perform at finals. I believe that their wristbands get them in.

Longmont High School's address is 1040 Sunset Street, Longmont, CO
